3/14/2012 Microsoft SMB Channel Development Virtual Networking event

We'd like to invite you to our first [Microsoft SMB Channel Development Virtual Event](#) taking place on March 14, 2012 (9:00am-1:00pm PST). This virtual networking event is similar to our local in-person events but by utilizing the virtual platform, you will have the opportunity to do more targeted networking. Since travel is not required, this will be a national event attended by partners across the U.S. and is a great way to build a bigger presence for your company.

Don't miss out on this great opportunity for targeted networking without leaving the comfort of your home or office!
